

Lesson 4

God's Wonderful Creation

Introduction:

Have you ever wondered how the world was made? Let's learn about the amazing things God did when He created the earth and everything in it!

1. Jesus Made the Earth

Do you know who made the earth? It was Jesus! Just like an artist creates beautiful paintings, Jesus created the whole world with His special power. He made the land, the oceans, the sky, the sun, the moon, and all the animals and plants.

2. The Amazing Creation

Jesus made the earth with God's help. He separated the light from the darkness, made the oceans and the land, and filled the world with plants and animals. Finally, He made people—like Adam and Eve! They were the first humans, and they looked like God.

Conclusion:

God's creation is so amazing! He made everything perfect and beautiful. We can see His love and power all around us—in the flowers, the trees, the animals, and even in ourselves. Let's thank God for His wonderful creation every day!

Title: The Painter of the World

Once upon a time, in a land filled with wonder and magic, there lived a young boy named David. David loved to explore the world around him, marveling at the beauty of nature that surrounded him every day.

One sunny afternoon, as David wandered through a lush forest, he stumbled upon a shimmering waterfall cascading into a crystal-clear pool below. Mesmerized by its splendor, David couldn't help but wonder how such a magnificent sight came to be.

"Who created this wondrous place?" David whispered to himself.

Just then, a gentle breeze swept through the trees, and a soft voice seemed to echo in the air. "I did," it said, filling David's heart with awe and wonder.

David looked around, but he couldn't see anyone. Confused yet intrigued, he listened closely as the voice continued to speak.

"I am Jesus," the voice proclaimed, "the Creator of all things—the land, the oceans, the sky, and every living creature upon the earth."

As David listened, Jesus shared stories of His creation—the separation of light from darkness, the formation of vast oceans and towering mountains, and the filling of the world with plants and animals of every kind.

"Wow," David gasped, his eyes wide with amazement. "You made everything so beautiful!"

Jesus smiled warmly. "Indeed, David. And I saved my most special creation for last—humankind. Adam and Eve were the first, made in the image of God, to love and care for this marvelous world I have created."

Filled with gratitude and wonder, David knelt beside the glistening pool, offering a prayer of thanks to Jesus for His magnificent creation.

From that day forward, David saw the world with new eyes—each flower, each tree, each creature a testament to the love and power of God.

And so, my dear friends, let us join David in marveling at the wonders of God's creation. For in every leaf, every breeze, every sunrise, we see His love and care for us. Let us give thanks for this beautiful world and cherish it always.
