Jesus was sent by Heavenly Father to be the **Greatest Superhero Ever**.
Jesus gave everything for us so that we can be pure, clean, and without sin.
This way, we can live forever with our loved ones, Jesus, and Heavenly Father.

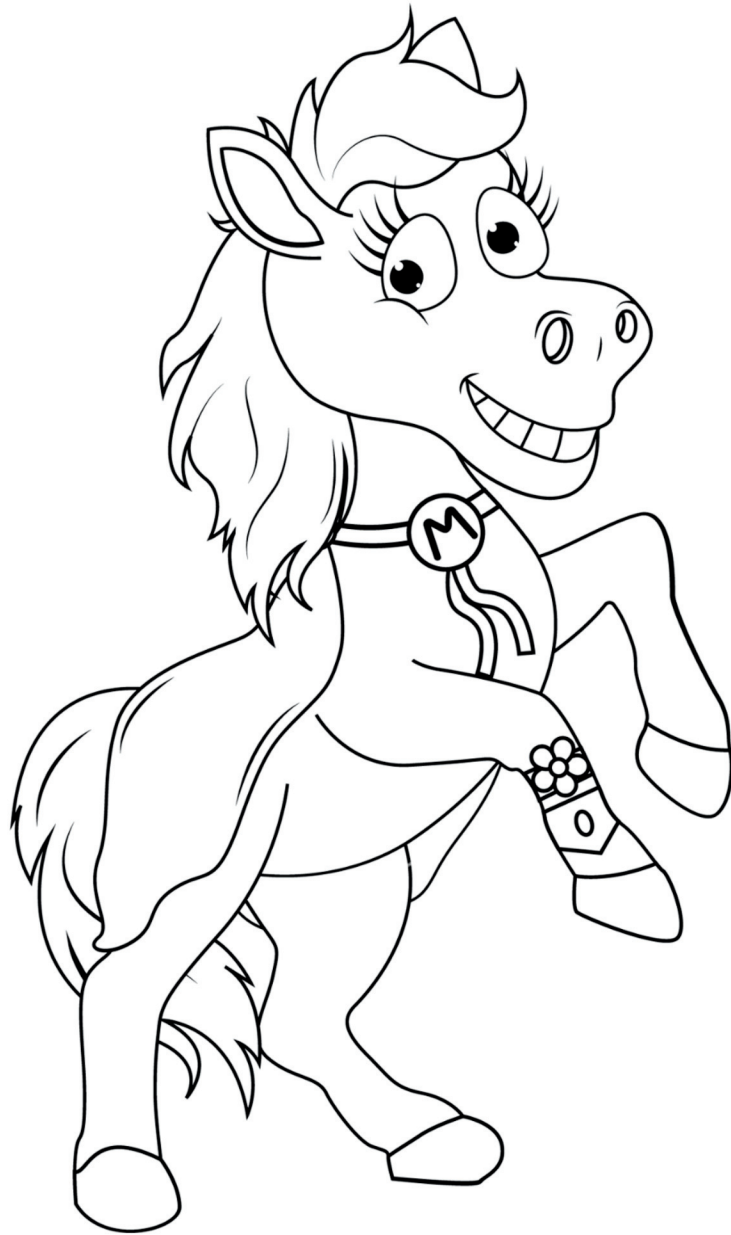

*And I saw heaven opened,
and behold a white Horse.*

“Mary” is one of Jesus’ very good good friends. “Grace” (Mary’s horse) is the love God has for us even when we haven’t earned or deserved it. “Grace” is the help from God to do hard things, like being kind to everyone. It gives us strength to even make chores seem fun and easy.

“Courage” means being brave enough to try new things, even when you're scared. You show courage every day. Have you ever stood at the top of a big slide at the playground? You might feel scared, but you slide down anyway, because you know it's going to be fun. That's what it means to have courage and be brave.
